ENTRY REQUIREMENTS FOR THE CERTIFIED SUPPLY CHAIN PROFESSIONAL (CSCP) EXAMINATION

To be eligible for the CSCP exam, a candidate must meet one of the following criteria:

- **CPIM, CFPIM, CIRM, or C.P.M. designation, plus two years of related business experience; *or***
- **Bachelors degree or equivalent, plus two years related business experience; *or***
- **5 years related business experience.**

Related experience is defined as work that is directly connected to some aspect of the supply chain. This can include raw materials extraction, transportation and logistics, manufacturing, procurement, warehousing, distribution, retail, customer service, software design and support, and other areas that directly affect the supply chain. Managers, officers, professionals, technicians, sales personnel, quality and quality control personnel and skilled craft workers will generally be considered eligible. Candidate's eligibility will be determined by APICS on submission of a completed application form.
